RELIGIOUS HEGIRA.

Three Thousand One Hundred Followers of John Alexander Dowie Leave Zion City.

THEIR DESTINATION IS NEW YORK

They Go There to Restore the Kingdom and Save the Modern Sodom From Destruction.

Philadelphia Doweites, Led By Their Leader, Gideon Hammond, Preparing to Participate in the Zionist Invasion of Gotham.

Zion City, Ill., Oct. 15.—Wednesday witnessed the opening scenes of the most remarkable religious hegira since the days of the removal of Joseph Smith's saints to Utah. Three thousand one hundred members of the Zion Restoration Host rallied at the command of John Alexander Dowie, self-styled "Elijah, the Restorer," and boarded trains for New York city, whence they go to "restore the kingdom and save the modern Sodom from destruction."

Fully 7,000 men, women and children assembled to listen to a short exhortation by Dowie, who spoke in his character as prophet. The entire host sang, prayed and wept as the eloquence of their leader moved them. Clad in broadcloth and linen of the richest texture, the prophet called upon his followers to concentrate themselves to their mission and pray unceasingly for the salvation of New York. Overseer Bryant and his wife, who leave on one of the restoration trains, preparatory to sailing for South Africa; Deacon Peters and Overseer Spelcher also addressed the gathering. Headed by Dowie and his cabinet, who followed the Zion band of 40 pieces, the host marched to the trains for New York. To avoid sight-seers the cars were switched around Chicago.

An exhibition of their trust in Zion was manifested by women who left hundreds of young babies in the nursery to be cared for till their return, and by the heads of families depositing their surplus money, silverware and jewelry in the iron safety vaults. Each restorationist was supplied with a literature case containing tracts, "Leaves of Healing" and "Banners," a photograph and an identification card. They supplied their own funds for their individual uses. Zion's band, the Restoration choir of 600 voices, the drum and fife corps of 50 and the children's choir gathered about the host and inspired it with music in the streets and at the station.

Port Wayne, Ind., Oct. 15.—John Alexander Dowie's "Restoration" train, bearing Dowie himself, passed through Port Wayne on the Nickel Plate road at 9 o'clock Wednesday night. The train stopped only long enough to change locomotives. Dowie secluded himself in his private car, and a guard at each door to bar out reporters and others. Deacon Stern said "Dr." Dowie would see no one until New York was reached. There was a great crowd at the station.

Philadelphia, Oct. 15.—Local Doweites, led by their elder, Gideon Hammond, are preparing for participation in the Zionist Invasion of New York on Friday. Sixty strong, they will leave in a special car at 7 o'clock Friday morning. Arriving in New York, they will meet Dowie, their leader, at Madison Square garden, and after a preliminary religious session will assist in the door to door canvass of Gotham.

Two heats have been won by Monte Carlo, Hawthorne and Dr. Strong each and the seventh and deciding heat was postponed on account of darkness and will be trotted Thursday.

The previous world's record for six heats to a race was made in the Transylvania last year in which heats were trotted in an average of 2:08 11-12. The six heats Wednesday were trotted in an average of 2:08 7-12. Wednesday's race lowering the record by one-third of a second.

PLATT'S WEDDING.

He Will Be United in Marriage to Mrs. Lillian T. Janeway Without Interruption.

THE CEREMONY WILL BE PRIVATE.

Miss Mae C. Wood Indignant Over the Rumor She Would Institute a Breach of Promise Suit.

She Regrets the Publication of These Ridiculous Stories as Unfortunate—Suggestions in Regard to Lawsuits Are Absurd.

New York, Oct. 15.—It is announced that the wedding of Senator Thomas C. Platt and Mrs. Lillian T. Janeway will be solemnized at noon Thursday in the Marble Collegiate church, Rev. Dr. David James Burrill officiating.

The wedding will be private and exclusive for obvious reasons. This announcement is reiterated because of rumors that have become circulated connecting the name of Senator Platt and Miss Mae C. Woods. Senator Platt kept to his office closely Tuesday and Wednesday, refusing to discuss the story of the letters and his alleged patronage of the fair employe of the postal department.

Miss Mae C. Woods, to whom has been attributed the purpose of instituting a suit for breach of promise of marriage against Senator T. C. Platt, on the eve of his marriage with Mrs. Janeway, of Washington, arrived at the Manhattan hotel Wednesday afternoon from Ontario county, New York, where she had been at the bedside of a sick relative. Miss Wood expressed herself in terms of indignation regarding the published rumors, and said that she was not interested in any person's matrimonial affairs. The only persons who are apt to get into trouble, she said, are those who are at the bottom of these silly rumors.

When asked if she knew Senator

MRS. T. C. PLATT.

Platt, she said:

"Of course I know him. I have known him for several years. He has always been friendly to me and I esteem him highly. I regret the publication of these ridiculous stories as very unfortunate and distressing."

To a reporter Senator Platt said: "I have seen the statements about Miss Wood in the newspapers and regret that anything should have been published to her discredit. Of course, all the suggestions in regard to lawsuits are absurd and ridiculous. I have known Miss Wood for a long time and with the senators from her own state recommended her for a position in the post office department. So far as I know she has performed her duties satisfactorily. I regard her as a lady of fine attainments."

OBJECTIONABLE SONG.

There Was No Intention to Wound the Feelings of Southerners.

Louisville, Ky., Oct. 15.—By a fair sized majority the members of the Union Veterans' union Wednesday voted down a resolution disclaiming any intention to wound the feelings of the southerners in singing "We'll Hang Jeff Davis on a Sour Apple Tree." The incident which gave rise to the resolution occurred at a public reception for the members given Tuesday night in a large hall. A Louisville member started the song and it was taken up by a large number of the delegates. At the executive session late Wednesday afternoon when the resolution was introduced the point was raised that the order was not in executive session at the time the incident occurred and it could not be construed as an official expression but only that of some of the individual members.

REGISTERED BONDS.

The Annual Report of the Register of the Treasury.

Washington, Oct. 15.—The annual report of the register of the treasury shows that an aggregate of \$15,065,750 of the registered bonds are held by foreigners. Of this amount \$3,511,250 are credited to individuals and \$11,554,500 to foreign insurance companies. The latter amount is all on deposit in this country under the law which requires all foreign insurance companies to deposit with the insurance commissioner of the particular state in which it does business a certain amount of bonds apportioned to the business done to secure its policy holders. "The amount of United States bonds thus held by foreign individuals," says the register, "is so insignificant that it may be said that the national credit is entirely upheld by domestic money."

Ex-Commander of the Colorado Militia to Be Court-Martialed.

Denver, Col., Oct. 15.—Brig. Gen. John Chase, who was relieved of the command of the national guard in Cripple Creek by Gov. MANY DELEGATES ARE PRESENT.

Funds Raised For the Purpose of Carrying on the Fight For Locks and Dams System.

John L. Vance, of Columbus, O., Was Re-Elected President, as Was All the Old Officers, By Unanimous Vote of the Convention.

Evansville, Ind., Oct. 15.—The Ohio Valley Improvement association opened its convention Wednesday morning under the most favorable circumstances. From the large number and prominence of the delegates it is gathered that interest in the aims of the association is both widespread and influential. After being called to order the delegates were welcomed by Gov. Durlin, of Indiana.

At the afternoon session of the waterways convention, \$5,600 was subscribed by the cities from Pittsburg to Cairo to enable the association to carry on the fight for a system of locks and dams. Cincinnati was the largest contributor, donating \$2,500.

The convention will complete its labors by the middle of Thursday afternoon. The sessions Wednesday afternoon and evening were largely attended. The evening session was attended by a large number of ladies. The old officers were re-elected, they being: President, John L. Vance, of Columbus, O.; secretary, J. F. Marting; Kentucky, W. W. Hite and W. A. Patton; Indiana, F. B. Posey and M. C. Garber; Illinois, George Parson and J. C. Willis. Stanley were present Wednesday evening and addressed the meeting. Addresses were also made by Capt. J. F. Dravo and George H. Anderson, of Pittsburg, Pa., after which a banquet was tendered the visitors.

The place of the next meeting will be decided upon Thursday. Cincinnati has abandoned her fight for the place.

THERE are special reasons for getting out the full vote in November for Harbeson and Slattery.

THE race Taylor made to Indiana doesn't help the Republicans in the race they are running in Kentucky.

THE Republicans are badly handicapped in this race on account of the race their leader Taylor made to Indiana and the bloody hands they showed at Frankfort.

REPUBLICANS have never ceased to abuse and malign William Goebel since his assassination, while they have never had a word of censure against his assassins, whoever they may be.

THE Republican party which is asking for the white vote in Kentucky this fall, is the same party whose members claim that Youtsey, Howard, Powers, Taylor and Findley are innocent of any complicity in the assassination of William Goebel.

THE mistake Republicans make is in contending that Democrats want to "damn" their party, when their leaders, Taylor, Powers and the rest, with the moral support of the whole party accomplished this very thing when they procured the assassination of William Goebel.

THE official count of the registration in the city of Louisville shows that 47,562 citizens have their names upon the books. This is by far the largest registration ever known in that city. The party affiliation shows 25,270 Democrats, 15,429 Republicans and 6,862 Independent voters. The Democrats have a plurality over the Republicans of 9,848 votes and over the Republicans and Independents combined of 2,989. In the face of such figures it is amusing to see the Post figuring out that they indicate a Republican victory in November.

STATE PRISONS SELF-SUPPORTING UNDER BECKHAM ADMINISTRATION.

"During the administration of Gov. Bradley, under Republican management, the prisons of Kentucky cost the taxpayers the enormous sum of \$320,757.01. This cost was in excess of all income from them. For the corresponding time, under Democratic management, during the present administration, the cost was only \$12,763.64 in excess of income. The difference between the Republican and Democratic management was \$307,993.37 in favor of the taxpayers of the Commonwealth.

"The account of the income and expenses in the operation of prisons during the year 1903, down to and including the thirtieth day of September, shows that the income from the Frankfort prison, in excess of expenses, was \$14,333.05, and the expense of the Eddyville prison was \$9,147.08. The last named sum deducted from the former leaves a net profit to the State of \$5,185.97. This shows that the prisons in Kentucky, under the Democratic management at the present time, are self-supporting.

"From this statement are excluded all permanent improvements. These improvements have been numerous, consisting in part of an ice plant, storage room, filter, stone floors, fan house for ventilating system and fan for dining-room. The cost of these various improvements was \$3,600, paid out of the income during the year 1903. In addition to this sum there was paid to the Auditor out of this year's income the sum of \$2,855.

70. The sums of money paid to the Auditor, and expended in permanent improvements and betterments at the prisons, are not charged as expenses in supporting the prisons. All other expenses in supplying and maintaining the prisons are charged as such expenses, and when so charged show that they have been supported by that income during the year 1903, and that on the 30th day of September the balance of \$5,185.97 was left as a net profit to the Commonwealth in the operation of prisons for this year.

The above is an extract from a speech by Hon. Lewis McQueen. In the face of such figures and the splendid administration of affairs in all other departments by Governor Beckham no sensible man who has the welfare of the State at heart will vote for a change.

Nicholson, of 14 Court street, employed by Russell & Sons, grocers, says: "The use of Doan's Kidney Pills by anyone who does much riding will help an aching back so quickly he will wonder greatly at the prompt and effective riddance of the trouble. I procured Doan's Kidney Pills at J. Jas. Wood & Son's drug store, corner of West Second and Market streets, on the advice of a friend and the results obtained were so satisfactory that it is a pleasure to recommend the remedy to others whenever opportunity is offered."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—DOAN'S—and take no substitute.

River News.

The Dave Wood and Defender passed up for Pittsburg with empties.

The river engineers are going to demand more money. They have been getting \$60 per month for first engineer and \$45 for second engineers. They have demanded \$90 for first and \$60 for second engineers.

A towboat at Evansville ran over two boys in a rowboat. One was drowned. A suit for \$25,000 damages followed. The proof was that a steamboat has a right of way on the river and that a pilot of such a steamboat may reasonably presume that the persons manning a rowboat know how to manage it. The boat gained the suit.

One of the Soldier Boys Replies.

Editor Bulletin—Sir: In answer to the article, "Protection For the Trusts," in your issue of the 8th: There are birds of evil omen, knockers as it were, flitting about the aims and designs of other people and of the public. We citizen soldiers are servants of the Government, and it is to be hoped we may not be called upon to protect or police it, as it were, against those with anarchistic principles, who are always anxious to tell people something dire and foreboding.

Very Respectfully,

ONE OF THE CITIZEN SOLDIERS.

HOW OLD IS ANN?

Mary is 24 years old. Mary was twice as old as Ann was when Mary was as old as Ann is now. How old is Ann?

Now, Mr. Professor, or Miss School Teacher or any body in Maysville, can you tell us how old is Ann? Speaking of ages reminds us of the work we have been doing the last four months in guessing the ages of all the little babies in Maysville and surrounding counties. And guessing ages was not all the work.

AT "ELM-CROFT."

Ladies' Aid Society of Baptist Church
Royally Entertained Wednesday at
Mr. and Mrs. Arthur Glascock's Beautiful Home.

"Elm-Croft," the country home of Mr. and Mrs. Arthur Glascock was the scene of a pleasant gathering yesterday afternoon when Mrs. Glascock entertained the Ladies' Aid Society of the First Baptist Church. Mrs. Glascock was assisted by her mother, Mrs. David Glascock, and by Mrs. John Cochran and Miss Alberta Glascock.

The beautiful October day added much to the pleasure of the ladies, the drive leading to "Elm-Croft" with its wealth of autumnal landscape and country atmosphere proving a fitting suggestion of what the afternoon had in store for the guests.

After greetings were exchanged and the order of business transacted, the guests were invited into the dining room where dainty refreshments were served. One of the party thoughtfully carried her camera and on entering took a snap of the group, so those present will not have to depend on memory's eye alone to recall their charming hostess and the royal outing she gave her Baptist co-workers.

KENTUCKY ODDFELLOWS.

Increase in Membership For 1903 the Largest in the Past Decade—A Strong Showing.

The official reports presented at the annual meeting of the Grand Lodge of Kentucky, I. O. O. F., at Lexington this week make a fine showing for this great fraternal organization the past year. From Grand Master Downs' report it is learned there were initiated during the year 3,279 members, with a net gain of 2,783 members; twenty-eight new lodges were instituted. The order now has a membership of 15,059 in the State.

Grand Secretary Elliott, in his annual report, says: "Ten years ago I was first elected your Grand Secretary. At that time there were 167 lodges; now there are 225. Then the order numbered 7,997 members; now there are over 15,000. Then we had no home to care for our widows and orphans; since then, we have spent over seventy thousand dollars in this great work. As your Grand Secretary looks back over the past decade and sees the great work that has been accomplished, he is constrained to ask how many who were present at the Grand Lodge meeting in Lexington ten years ago ever imagined that if the Grand Lodge would meet in the same hall in the same city ten years afterwards that the order would show an increase of fifty-eight lodges, of over 7,000 members, and that there would be in full operation such a magnificent home, caring for thirty-five widows and orphans?"

Grand Master Downs gives these interesting figures:

In June, 1897, we had 167 lodges; 8,108 members.

In June, 1903, we have 219 lodges; 15,059 members.

In June, 1897, there were 39 Rebekah lodges; 1,434 members.

In June, 1903, we have 47 Rebekah lodges; 2,032 members.

The work of the order in Kentucky for the past eleven years' is as follows:

1893, increase.....	481
1894, increase.....	102
1895, increase.....	28
1896, increase.....	86
1897, loss.....	320
1898, increase.....	650
1899, increase.....	662
1900, increase.....	1,131
1901, increase.....	958
1902, increase.....	776
1903, increase.....	2,783

The report of Grand Treasurer George W. Morris shows total receipts of \$23,311 84. Disbursements \$12,629 13, with a balance on hand September 30, of \$10,682 71.

Clytie, with Miller in the saddle, was directly behind and stumbled over Sonoma Bell. Miller was thrown heavily and died a few moments after he had been taken to the temporary hospital on the track.
